Memorandum regarding the probable amount of monsoon rainfall in 1963

Previous weather conditions over certain parts of the world enable us to form an estimate, within somewhat wide limits, of the monsoon rainfall of India during the period June to September. These predictions aim to pass a statistical test of 80 per cent success, in other words aim at being correct four times out of five on the average over a long series of years.

The data used are given in section 2 below; these are followed by notes on the relevant inferences that may be drawn from them.

2. Data

Java—The monthly rainfall departures from October 1962 to February 1963 were +9%, -10%, +8%, +24% and +12% respectively.

Equatorial pressure—Pressure was in defect by 1.0 mb. at Port Darwin in March to May and in defect by 0.2 mb. at Seychelles in February and March; and by 1.0 mb. at Djakarta from January to April.

South Rhodesia—Rainfall from October 1962 to April 1963 was in excess by 87.1 mm.

South America—Pressure departures were as follows:—

| | Buenes Aires | Cordoba | Santiago |
|---------------|--------------|----------|----------|
| April 1963 .. | -2.4 mb. | -1.6 mb. | +0.7 mb. |
| May 1963 .. | +1.1 mb. | +1.3 mb. | -0.7 mb. |

Upper winds in m.p.s.—Bangalore, April, 6 Km.—The northerly component was -0.7.

Calcutta, May—The easterly component was -9.2 at 4 Km. and -4.5 at 2 Km.

Gwalior, March, 2 Km.—The easterly component was -7.5.

3. Inferences from the information

For the Peninsula—taken to consist of Maharashtra, Gujarat, Madhya Pradesh, Telangana, Interior Mysore North, Coastal Andhra Pradesh and Coastal Mysore (excluding South Kanara)—the available factors found to be of most importance are, in the order of decreasing reliability, Bangalore upper winds, Java rain, Calcutta upper winds, South Rhodesia rain and South American pressure. Of the factors, South American pressure is indifferent, South Rhodesia rain, Java rain and Bangalore winds unfavourable and Calcutta upper winds are very unfavourable. The statistical analysis indicates that there is a four to one chance that the monsoon rainfall in the Peninsula during June to September 1963 will be below 104% of the normal rainfall.

For Northwest India—taken to consist of Jammu and Kashmir, West Uttar Pradesh, Punjab (India), Himachal Pradesh, Delhi and Rajasthan—the factors used are, in the order of decreasing reliability, Equatorial pressure, Gwalior upper winds, Calcutta upper winds, South Rhodesia rain and South American pressure. Of these Equatorial pressure and Calcutta upper winds are very favourable, South American pressure indifferent, South Rhodesia rain and Gwalior upper winds are unfavourable. The statistical analysis indicates that there is a four to one chance that the monsoon rainfall in Northwest India during June to September 1963 will be above 96% of the normal rainfall.

4. Summary of Forecast

The monsoon rainfall during June to September 1963 is likely to be normal both in the Peninsula and Northwest India.

- (i) A Treasury Receipt or CROSSED Indian Postal Orders payable to the Secretary, Union Public Service Commission at New Delhi Post Office for Rs. 37 50 nP (Rs 9 37 nP in the case of candidates belonging to the Scheduled Castes or Scheduled Tribes), but candidates who obtain application forms, etc from the Union Public Service Commission on payment of Re 1 00 nP need send only Rs 36 50 nP. - (iv) Two copies of recent passport size (2" x 2½" approx.) photograph of the candidate.

Details of the documents mentioned in items (i), (ii), (iii) and (iv) are given below:—

(i) *A treasury Receipt or CROSSED Indian Postal Orders for the prescribed fee*—The amount may be deposited in the nearest Government Treasury, or in a

branch of the State Bank of India or in a State Treasury authorised to transact business on behalf of Government (Amount deposited in Bombay, Calcutta, Delhi, or Madras should be deposited in the Reserve Bank of India instead of in the State Bank of India). Note 2—AN APPLICATION NOT ACCOMPANIED BY A TREASURY RECEIPT OR CROSSED INDIAN POSTAL ORDERS FOR THE PRESCRIBED FEE WILL BE SUMMARILY REJECTED THIS DOES NOT APPLY TO DISPLACED PERSONS SEEKING REMISSION OF THE FEE VIDE PARAGRAPH 7 BELOW

Note 3—A candidate must send the treasury receipt, in original, along with his application. Duplicate/triplicate copies of the Treasury Receipt will not be accepted.

(ii) *A certificate of age*—The date of birth ordinarily accepted by the Commission is that entered in the Matriculation Certificate or in the Secondary School Leaving certificate, or in a certificate recognised by an Indian University as equivalent to Matriculation or in an extract from a Register of Matriculates maintained by a University, which extract must be certified by the proper authority of the University. The expression 'Matriculation Certificate' in this part of the instructions must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission, in original, with a copy thereof, together with the application.

Sometimes the Matriculation or equivalent Certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases a candidate must send, in addition to the Matriculation or equivalent certificate, an original certificate, together with a copy thereof, from the Headmaster/Principal of the institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the Admission Register of the Institution.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application the application may be rejected. Further they are warned that if the date of birth stated in the application is inconsistent with the age shown in the Matriculation Certificate and no explanation is offered, the application may be rejected.

Note 1—A candidate who holds a completed Secondary School Leaving Certificate need submit with the original a copy of the page containing entries relating to age only.

Note 2—CANDIDATES SHOULD NOTE THAT
ONCE A DATE OF BIRTH HAS BEEN CLAIMED AND
ACCEPTED BY THE COMMISSION FOR THE PUR-
POSE OF ADMISSION TO AN EXAMINATION, NO
CHANGE WILL ORDINARILY BE ALLOWED AT A
SUBSEQUENT EXAMINATION.

(iii) *A certificate of Educational Qualification*—A candidate must submit a certificate or diploma, in original, with a copy thereof, showing that he has one of the qualifications prescribed in the Rules. The certificate submitted must be one issued by the authority (i.e. University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence and submit such other evidence, in original, as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

Note—A candidate who has appeared or intends to appear at an examination the passing of which would render him eligible to appear at this examination may apply for admission to this examination. Such candidates will be admitted to the examination, if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if the candidates do not produce proof of having passed the examination, as soon as possible, and in any case not later than 30th June 1964.

(iv) *Two copies of Photograph*—A candidate must submit two passport size ($2\frac{1}{2}'' \times 2\frac{1}{4}''$ approx.) copies of his recent photograph one of which should be pasted on the first page of the application form and the other copy should be firmly attached with the application form. Each copy of the photograph should be signed in ink on the front by the candidate.

N.B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned under 4(ii), 4(iii) and 4(iv) above without a reasonable explanation for its absence having been given, the application is liable to be rejected and no appeal against its rejection will be entertained. The documents not submitted with the application should be sent soon after the submission of the application and in any case they must reach the Commission's office (except as provided for in Note under (iii) above) one month before the date of commencement of the examination. Otherwise his application is liable to be rejected.

5. Candidates may be required at the interview by the Selection Board to produce the original of any documents, copies of which have been submitted.

6. A candidate who claims to belong to one of the Scheduled Castes or Scheduled Tribes should submit in support of his claim a certificate, in original, with a copy thereof in the form given below from the District Officer or the Sub-Divisional Officer or any other officer of the district in which his parents (or surviving parent) ordinarily reside, who has been designated by the State Government as competent to issue such a certificate; if both his parents are dead, of the district in which he himself ordinarily resides otherwise than for the purpose of his own education.
